PERILS OF THE WILD

A TEN EPISODE ADVENTURE PICTURE....FEATURING JOE BONOMO

EPISODE 7 "PIRATE PERIL"

A kindly elephant, grateful to Fredrick and Emily for shooin off ~~max~~ a bothersome pole cat, carries them on his back throught the jungle away from the pursuing pirates, while Captain Robinson and one of the boys hide most of the gunpowder in a pit and carry one keg home.

Tonio, aspiring to leadership of the pirates, shadows Sir Charles to the secret cave laden with rich loot.

The pirates ~~attack the~~ menace the treetop home of the Robinsons, ordering the Captain to come down. He refuses and they attack, setting fire to the brush surrounding the powder keg. The fire burns a hornet's nest and the pirates flee from the insects. One of the pirates falls in the pit, unearthing the powder cache. He calls the others and they begin rifling the store, just as Emily and Fredrick arrive with the elephant. She sets fire to the straw covering the pit with her burning glass, then falls in the pit herself but is rescued by Fredrick just before the explosion. They rush to the treetop home and the frantic family, surrounded by burning branches, point at the powder keg wrapped in flames.
